

PreK - 7th grade Supply Fee

2023-2024 School Year

Students in Grades PreK - 7th grade pay a \$200 supply fee. The fee covers all consumable supplies that the student will need for the entire school year.

If the Supply Fee was not paid at registration, students should bring the fee payment to their teacher or to the front desk on the first day of school. Make sure that the child's name and grade is clearly written on the envelope so that your child's account may be properly credited.

Any student that is found to be wasteful will be identified and a parent conference will be required. If the wasteful behavior is not corrected, the parent will be required to provide supplies for their child to finish out the school year.

Wasteful behavior includes: losing pencils, not using notebooks and paper for schoolwork, abusing binders by not storing or handling them correctly, etc. Students who frequent the front desk to ask for replacements of supplies will be identified to the Principal.
